## REGISTRATION POLICY

### **Rationale:**

Sporting Clubs have a duty of care to committee members, players, coaches, umpires, parents and supporters to foster a positive playing environment so as to maintain current players and actively recruit new, young players to ensure that the club has a strong membership in the future.

### **Aims:**

To ensure the wellbeing of committee members, players, coaches, umpires, parents and supporters GSNC aims to create a registration process that is fair, inclusive, equitable and accessible.

### **Implementation:**

- All players must be registered with Good Shepherd Netball Club and pay registration fees in order to play for GSNC
- All players and coaches must have a current Victorian Netball Association membership
- GSNC will give all members and potential new members clear notification of the registration deadline.
- All players must have completed a registration form and paid their full registration set by GSNC or they cannot play netball for Good Shepherd
- All players must wear the approved uniform as set by GSNC
- Uniform orders can also be placed at any time via the uniform coordinator.
- All new junior players should have completed Net- Set-Go before they can play for GSNC.
- New Under 11 teams will be organised according to date of birth. In exceptional circumstances, e.g. shared transportation, some players may be moved into a different team that is not determined by birthdate. \* *(This will be at the Club's discretion and will be decided upon by the Junior Co-ordinator and the Executive Committee)*
- New players are encouraged and welcome at GSNC but we cannot guarantee a place if teams are at maximum capacity (9-10 players).

- **Coaches and team managers will be consulted before new players are allocated to their team**
- **If a team actively recruits a new player to complete their team, every effort will be made to ensure that the player is allocated to that team**
- **If a player chooses to leave their team, they are not guaranteed a position should they decide to return in future seasons.**
- **If a player registers and cannot be allocated team due to lack of numbers, their registration and uniform money will be fully refunded.**
